

WORLD OF RADIO #1195, produced August 13, 2003 by Glenn Hauser

- *Standard disclaimer
- *New edition of my other program Continent of Media 03-05 now available for download at <http://www.dxing.com> or <http://www.worldofradio.com> and broadcast on Radio for Peace International
- *Schedule changes on SIU Edwardsville Web Radio, from Aug 30: COM to UT Sat 0300; WOR to Sat 0330 and Tue 0300
- *On RFPI, WOR tends to appear one hour later than scheduled [due to power outages, etc., not permanent changes]
- *On IBC Radio via WRMI, 15725, we were missing last Sunday at 1800, and times vary widely around 1800 Sat & Sun, so hang loose
- *Spectrum, which used to follow WOR UT Sun 0300 on WWCR 5070, disappeared July 26, replaced by Cyberline for two hours, plus three hours UT Mon 0205 on 3210
- *My own compilation of WWCR speciality programs is in DXLD 3-145
- *WWCR-3 new step-up frequency 9485, 1200-1300 only, including Rock the Universe on Sundays
- *New DX Partyline times via WWCR: Sat 1430 12160 (confirmed), Sun 0200 5070, Tue 0930 9475, Wed 0830 3210, Thu 2000 15825; last week repeated old program Thu 2000 rather than first airing of new show
- *Sing for Joy, sacred choral music: WWCR Sun 1400 12160, Wed 0300 3210
- *As of Aug 12, WBCQ shifted from 5100 to 5105 to avoid RTTY 5097
- *More Canadians vanishing from AM band: CFAN 790 Newcastle NB closed July 30, replaced by FM 99.3; next NB to close: CBZ 970
- *Counter to usual trend, AM stereo resumed on CKBD 600 Vancouver BC
- *R. Insurgente, Zapatista clandestine in Chiapas, started Aug 9 on 5800, at 1900 UT (=1500 'Southeastern War Time'); see <http://www.ezln.org> and <http://chiapas.mediosindependientes.org> with lots of audio files. Own site <http://www.radioinsurgente.org> or <http://www.radio-insurgente.org> [neither works Aug 14]. Very weak, and one tentative DX report from California at 0317-0340*
- *RFPI says keep up the letter-writing campaign, but no public statements to be issued during negotiation period with UPaz until October 31; supporters at <http://www.saverfpi.org> not pleased with the gag-order, feeling that everything concerning this should be in the open
- *Spain's relay in Costa Rica heard on 3359, punch up error? [Yes, next night we heard back on 3350]
- *Dr. Gene Scott via Anguilla back on 6090 at night, but stuck on lower frequency and not heard on daytime channel 11775
- *Reactivated Peruvian on 5500.21, Radio San Miguel, de Cajamarca, at 2350, ``Buenas Noches, Perú`` program after 0000 (and Björn Malm's recording)
- *R. Emisoras Cajamarca on 3391.5, ex R. Cutervo on 3390
- *R. Victoria, Lima reported heard on 15480 at 0400
- *Quite close to latest new frequency for R. América, Paraguay, 15483;

and they now have three SW frequencies, 9905, and reactivated 7370

- *Argentina items: On 5400.00, La 101, Bs. As., at 1030, a.k.a. Canal 26, and Power 101
- *R. Nacional, San Miguel de Tucumán second harmonic on 2380 heard in Sweden, and strong in Uruguay
- *R. Provincia Buenos Aires, 2nd harmonic on 2540 at 0005
- *R. Nacional Buenos Aires at 2110 on another strange frequency 5650
- *Brazil's 3235 where R. Clube de Marília reactivated now occupied by R. Guarujá Paulista, which has acquired Marília transmitter; next to take over 5045 from R. Presidente Prudente, and looking for a 9 MHz outlet
- *R. Nacional do Brasil resumes external broadcasts, in Portuguese to Africa on Amazonian frequencies, 0500-0800 and 1900-2100 on 11780, 6180; are the antennas really toward Africa then?
- *ELWA is only radio station on air in Monrovia, Liberia, but FM only
- *Voice of the People of Eritrea keeps running same news (rather olds) week after week
- *Website of V. of Ethiopian Medhin, a.k.a. V. of Ethiopian Salvation: <http://www.medhininfo.com>
- *Sudan Radio Service widely heard elsewhere, such as Ontario and New Mexico with news in English around 1618 on 17630, 1718 on 17660, M-F only; reply from Jeremy Groce, jgroce@edc.org Plan to originate from Nairobi, but initially from Washington, via UK transmitters [Aug 14 on 17660: no English other than IDs in the 1715-1720 period]
- *In the midst of World of Radio 1195, woradio at yahoo.com or P O Box 1684, Enid, OK 73702 USA
- *Thanks this week for financial support go to Mike Barraclough
- *V. of Mediterranean, Malta, adds to SW services via Italy and Russia a 24-hour internet broadcast, VOMi, at <http://www.vomradio.com>
- *Isle of Man overcoming environmental objections about the view, and RF, but now about audible noise from the generators, fans, unlikely 4 km from platform to shore; see <http://www.longwaveradio.com>
- *Irish church broadcasts on CB monitored in Spain: 27 MHz plus: 010, 025, 155, 185, 255, 265, 275, 285, 350, 380, 405
- *New SW service in Arabic, Al-Asr Radio, on TDP website but no details and own website entirely in Arabic: <http://www.alasr-radio.com> Tarek Zeidan says it's vague with no specifics about political or religious orientation; already on Hotbird 13E, 11938 H
- *New service from Afghanistan Peace Association, Fri 1630-1730 in Dari and Pashto on 15615. See <http://www.afghanistanpeace.com>
- *Bob Padula explains why Taiwan frequency coordination is poor: not involved in HFCC and will not allow Beijing to regulate; does not even recognize A- and B- season dates
- *Pyongyang central radio to be relayed in (to?) South Korea from Aug 15; no details on frequency or site
- *V. of Russia has had programs in Pekinese, Japanese, Korean, produced in Khabarovsk, but the eastern office to be closed. Staff there want listeners to protest to HQ in Moscow: vostok@vor.ru

- *New aboriginal SW station for the Yolgnu in Arnhem Land, Northern Territory, 24 hours on 5050 with 400 watts, Aboriginal Resource & Development Service, ARDS, with the radio-browsing concept; see <http://www.ards.com.au> X-band MW frequencies pending. Weak signals heard elsewhere in Australia, co-channel from China. Not ham equipment, but former civil aviation transmitter at Humpty Doo, a Darwin suburb, helical whip antenna centered on 100 degrees true
- *New program to compete with Car Talk: Philosophy Talk. Pilot on KALW 91.7 San Francisco Wed Aug 20 at 2000 UT [also webcast]
- *Labor troubles at other public radio stations: layoffs at KQED San Francisco; picketing at KOPB in Oregon; union announcers only fired at WMHT Schenectady; controversy in Yellow Springs, OH over the direction WYSO should take: see DXLD 3-145
- *KBFR, 95.3 is pirate in Boulder, CO, run by 'Monk'; see DXLD 3-145
- *Something strange about the carrier of KFI, 640, Los Angeles; on an Argo scope it stands out from all the other 640 stations, allowing it to be identified on the East Coast even tho not audible; lots of discussion on this from NRC in DXLD 3-143, 145
- *Bob Cooper recommends this to keep up with DTV developments:
<http://www.digitaltelevision.com/mondaymemo/mlist>
- *Owner of construction permit for new X-band station here in Enid OK on 1640 tells me: construction underway at new site east of Hennessey OK, directional covering both Enid and OKC; maybe on air by end of September, CP deadline December
- *International Lighthouse and Lightship Weekend upon us [with special event ham operations] UT Sat & Sun Aug 16-17; details at <http://lighthouses.net.au/illw/index.html>
[following two items on WBCQ version only, neither audio archive:]
- *National Radio Club annual convention Aug 28-Sept 1 at Holiday Inn Select DFW South, Irving TX, reservation deadline Aug 15; specializes in MW, well-organized, and non-members should be welcome; details at <http://www.nrcdxas.org> and click on Convention
- *Two reports in Spanish on the Mexican DX meeting in early August are at the end of DXLD 3-143 and 3-144
- *Propagation outlook from Boulder, August 12: flux range 125-95-135
- *That's World of Radio 1195; Glenn Hauser inviting you to hear me again next week ###
